
MAR1031X Certificate I in Maritime Operations (General Purpose Hand Near Coastal)

Modification History

Release 1. This is the first release of this unit of competency in the MAR Maritime Training Package

Qualification Description

This qualification is suitable for people working in entry level positions in the maritime industry as a General Purpose Hand on deck or in the engine room of a vessel less than 80 metres within the exclusive economic zone (EEZ) or in the engine room only for a vessel with propulsion power less than 3000 kW.

Licensing/Regulatory Information

This level of qualification is currently cited as meeting some of the requirements for certification as a General Purpose Hand Near Coastal as defined by the National Standard for Commercial Vessels (NSCV) Part D.

Certification will require achievement of the MAR10318 Certificate I in Maritime Operations (General Purpose Hand Near Coastal) and an Australian Maritime Safety Authority (AMSA) approved first aid certificate; people seeking certification should check with AMSA.

Entry Requirements

Not applicable.

Packaging Rules

Total number of units = 8 units
