

# MAR302XX Certificate III in Maritime Operations (Integrated Rating)

## Modification History

Release 1. This is the first release of this qualification in the MAR Maritime Training Package.

## Qualification Description

This qualification is suitable for people who work in the maritime industry as:

- Navigational Watch Rating (STCW Reg II/4)
- Engine Room Watch Rating (STCW Reg III/4)
- Able Seafarer Deck (STCW Reg II/5)
- Able Seafarer Engine (STCW Reg III/5)
- Integrated Rating (STCW Reg II/4, III/4 and II/5, III/5)

**Please note: RTO to insert on testamur, the specialist unit group selected from the group choice below.**

### Licensing and/Regulatory information

Legislative and Regulatory requirements are applicable to this qualification.

- This qualification forms some of the requirements for certification by the Australian Maritime Safety Authority (AMSA) as Able Seafarer Deck, Able Seafarer Engine and Integrated Rating as defined in Marine Orders and STCW (Standards of Training, Certification and Watchkeeping).

This qualification is required to obtain an AMSA certificate of competency as an Integrated Rating as defined in Marine Orders.

AMSA certification of competency will require:

- completing an approved program of study that meets STCW A-II/4, A-II/5, A-III/4 and A-III/5 (Certificate III in Maritime Operations Integrated Rating)
- holding or have a certificate of competency as defined in Marine Order 73
- qualifying sea service as defined in Marine Order 73
- completing STCW short courses as defined in Marine Order 73
- holding a valid AMSA certificate of medical fitness
- meeting any other regulatory requirements as defined in Marine Order 73

This qualification is required to obtain an AMSA certificate of competency as an Able Seafarer – Deck as defined in Marine Orders.

AMSA certification of competency will require:

- completing an approved program of study that meets STCW A-II/4 and A-II/5 (Able Seafarer Deck)
- holding or have a certificate of competency as defined in Marine Order 73
- qualifying sea service as defined in Marine Order 73
- completing STCW short courses as defined in Marine Order 73
- holding a valid AMSA certificate of medical fitness
- meeting any other regulatory requirements as defined in Marine Order 73

This qualification is required to obtain AMSA certificate of competency as an Able Seafarer – Engine as defined in Marine Orders.

AMSA certification of competency will require:

- completing an approved program of study that meets STCW A-III/4 and A-III/5 (Able Seafarer Engine)
- holding or have a certificate of competency as defined in Marine Order 73
- qualifying sea service as defined in Marine Order 73
- completing STCW short courses as defined in Marine Order 73
- holding a valid AMSA certificate of medical fitness
- meeting any other regulatory requirements as defined in Marine Order 73

Seafarers seeking certification should check requirements with AMSA.

## Entry Requirements

There are no entry requirements for this qualification.

## Packaging Rules

Total number of units to be completed:

- **Able Seafarer Deck = 24 units**, Core units plus Group A
- **Able Seafarer Engine = 20 units**, Core units plus Group B
- **Integrated Rating = 27 units**, Core units plus Group A and B

### Core units

HLTAID003	Provide first aid
MARA001X	Contribute to basic cargo operations on liquefied gas tankers
MARA002X	Contribute to basic cargo operations on oil and chemical tankers
MARB017X	Perform routine maintenance and repairs on a vessel
MARC030X	Use and care for hand and power tools
MARC032X	Perform dogging on board a vessel
MARF003X	Follow vessel security procedures (security awareness training)

MARF006X	Observe personal safety and social responsibility (PSSR)
MARF007X	Operate survival craft, rescue boats and life-saving appliances
MARF008X	Contribute to fire prevention and firefighting (basic firefighting)
MARF009X	Survive at sea in the event of vessel abandonment and personal survival techniques (PST)
MARF018X	Assist in an emergency response
MARF019X	Operate emergency equipment and apply emergency procedures
MARJ006	Follow environmental work practices
MARN007X	Use seamanship skills on board a vessel
MSMPER200	Work in accordance with an issued permit
MSMPER205	Enter confined space

**Group A: Able Seafarer Deck**

MARB025	Maintain mooring equipment
MARC022	Perform mooring and unmooring activities
MARC028X	Operate deck machinery, cargo handling gear and equipment on a vessel
MARC029X	Perform rigging on board a vessel
MARC031	Shift mooring lines using mechanical means
MARK005X	Steer a vessel under direction of the Master
MARO006X	Contribute to monitoring and controlling a safe navigational watch

**Group B: Able Seafarer Engine**

MARB016X	Contribute to routine engine maintenance on a vessel
MARC027X	Contribute to the operation of engine equipment and associated propulsion plant
MARO005X	Contribute to monitoring and controlling a safe engine watch

## Qualification Mapping Information

This qualification replaces and is equivalent to MAR30218 Certificate III in Maritime Operations (Integrated Rating).
