
MAR4061X Certificate IV in Maritime Operations (Master up to 35 m Near Coastal)

Modification History

Release 1. This is the first release of this unit of competency in the MAR Maritime Training Package.

Qualification Description

This qualification is suitable for those sailing as Master on vessels up to 35 metres in length within the exclusive economic zone (EEZ) or a Mate on vessels up to 80 metres in length.

Licensing/Regulatory Information

This level of qualification is currently cited as meeting some of the requirements for certification as a Master up to 35 metres Near Coastal as defined by the National Standard for Commercial Vessels (NSCV) Part D.

Certification as a Master less than 35 metres Near Coastal (as defined by the NSCV Part D) will require achievement of the MAR40613 Certificate IV in Maritime Operations (Master up to 35 metres Near Coastal), certification as a Master less than 24 metres Near Coastal, an appropriate radio certificate of proficiency, AMSA final assessment and an AMSA approved first aid certificate; people seeking certification should check with the Australian Maritime Safety Authority (AMSA).

This level of qualification is also currently cited as meeting some of the requirements for certification as a Mate less than 80 metres Near Coastal as defined by the NSCV Part D. Certification as a Mate less than 80 metres Near Coastal will require achievement of the MAR40618 Certificate IV in Maritime Operations (Master up to 35 metres Near Coastal), qualifying sea service and completed AMSA approved task book or qualifying sea service, an appropriate radio certificate of proficiency, AMSA final assessment and an AMSA approved first aid certificate; people seeking certification should check with AMSA.

Entry Requirements

Not applicable.

Packaging Rules

Total number of units = 21 units

21 core units

MARA003X Manage loading, discharging and stowage of cargo

MARA004X Manage vessel stability

MARB030	Slip or dock a vessel and maintain hull on a vessel up to 80 metres
MARB010X	Plan and supervise routine maintenance on a vessel up to 80 metres
MARC011X	Manage a propulsion unit using appropriate engine systems and support services
MARC012X	Monitor and manage vessel operations
MARC014X	Operate deck machinery and steering gear on a vessel up to 80 metres
MARF027	Apply basic survival skills in the event of vessel abandonment
MARF028	Follow procedures to minimise and fight fires on board a vessel
MARF029	Meet work health and safety requirements
MARF030	Survive at sea using survival craft
MARF010X	Work safely in confined spaces on a vessel
MARG002X	Manage a small crew
MARH015	Manage and maintain a navigational watch on board vessels up to 80 metres
MARH016	Plan and navigate a passage for a vessel up to 80 metres
MARH017	Use wheelhouse equipment for safe navigation
MARH006X	Forecast weather and oceanographic conditions
MARI004	Observe regulations to ensure safe operation of a vessel up to 80 metres
MARJ007	Monitor environmental management on a vessel
MARK003X	Manoeuvre a vessel up to 80 metres
MARN004X	Manage seaworthiness of a vessel up to 80 metres
