

# MEETING MINUTES SUMMARY

## AVIATION INDUSTRY REFERENCE COMMITTEE

Friday 17 April 2020

### Meeting Overview

- Meeting held via Video / Teleconference link
- Skills Forecast
- Identification of Critical Occupations and Scenario Planning
- Other Business
- Meeting Outcomes

### Skills Forecast

This unprecedented time has caused a downturn in the Aviation Industry and non-critical training has ground to a halt. As a result, the IRC voted unanimously not to submit the Skills Forecast to the AISC in 2020

### Identification of critical occupations

The IRC discussed and identified critical occupations for the industry which will be reported back to the emergency sub-committee of the AISC. The subcommittee has been established to identify critical occupations, explore scenarios and a range of information on emergency skills matters for the industry

### Other business

The Royal Aeronautical Society advised the IRC that the RAS Aviation Safety forum has been postponed until next year

### Meeting Outcomes

- The IRC decided not to submit 2020 Skills Forecast to the AISC.
- The IRC provided information for the emergency sub-committee of the AISC.

Next IRC meeting scheduled to be held on **18 August 2020 (TBC)**
