

# MEETING MINUTES SUMMARY

## GAS INDUSTRY REFERENCE COMMITTEE

Wednesday 14 March 2018

### Meeting Overview

- Meeting held in Melbourne on Wednesday 14 March 2018
- IRC, Industry and VET Update
- Skills Forecast development

### IRC, Industry and VET Update

- The IRC reviewed feedback on the UEG Gas Industry Training Package Case for Endorsement. The Case for Endorsement will be revised prior to submission to the AISC at their next meeting
- The IRC were updated on the progress of the Butt Fusion draft Unit of Competency

### IRC Skills Forecast update

- An update was presented to the IRC on the progress of the 2018 Gas Skills Forecast. The final draft will be sent to IRC members for feedback
- The 4-year rolling Proposed Schedule of Work was discussed and will be circulated to the IRC for review and comment

### Meeting Outcomes

- IRC members to provide any further feedback on the Gas Skills Forecast and Proposed Schedule of Work
- AIS to provide a research paper on Hydrogen Gas to determine if there is an existing Unit for conversion of appliances and equipment pertaining to Hydrogen
- Teleconference planned to elect new IRC Chair in May

Next meeting scheduled to be held in Sydney on 11 June 2018
