PUBLIC SAFETY INDUSTRY REFERENCE COMMITTEE

12 September 2018

Meeting Overview

- Meeting conducted Wednesday 12 September in Canberra
- Training Package update
- AIS Skills Forum
- Skills Forecast

Current Training Package Updates

- AIS updated the IRC with the progress of the Cross-sector Project, Digital Transformation IRC, Automation Project.
- The four Defence Geospatial Units of Competency and the two skill sets have been completed
- New work underway includes Revision of units and qualifications in Explosive Ordnance, Military Justice, Defence Force Recruitment, Advanced Police Investigation, Police Negotiation and Police Intelligence.
- IRC discussed removal of superfluous qualifications and Units with zero enrolments over the last 3 years.

Skills Forum

AIS will conduct several Skills Forums nationally to broaden stakeholder consultation. The Forums will provide an opportunity for stakeholders to engage and make a real contribution at the ground level and the Forums will be a central platform for this year's intelligence gathering for the 2019 Skills Forecast. IRC members were informed of dates and locations and encouraged to participate in the forums. Linda Douglass was a panellist at the initial forum in Canberra.

Skills Forecast

AIS provided an overview of the current Skills Forecast and the information that will be required to produce the 2019 edition. AIS has started collecting data and collating information for the next Skills Forecast. AIS requested that any relevant industry reports or information on emerging trends be forwarded via the Industry Manager for consideration

Meeting Outcomes

- IRC members to attend Skills Forums in their respective states where possible
- IRC members to further consider removal of superfluous qualifications and Units

Next meeting is proposed to be a teleconference on the 31 Jan and the next face-to-face IRC meeting will be on Friday 22 March 2019.
