

MEETING MINUTES SUMMARY

PUBLIC SAFETY INDUSTRY REFERENCE COMMITTEE

Thursday 6 February 2020

Meeting Overview

- Meeting held in Melbourne at Australian Industry Standards
- IRC Chair provided an update on the IRC Chairs meeting held on 4 December.
- Industry Updates
- Update on Training Package Status

Current Training Package Updates

- Each of the IRC representatives provided an update on their respective current challenges and opportunities
- The IRC were presented with a draft copy of the Skills Forecast & Industry Outlook-
 - Annual update to the Skills Forecast (SF) which is submitted as a report to the AISC and includes the Proposed Schedule of Work
 - Industry Outlook (IO), is a document produced for IRC usage, based on AIS research and IRC Input. This document is intended for industry as a reference and is not required by the AISC.
- Members spoke of potential matters arising from the bushfire disaster and the appropriate response by Industry when it comes to building capability with Emergency Management teams.
- AIS gave a brief presentation about the DT Expert Panel and scope of their work.

Meeting Outcomes

- The IRC will provide feedback on Skills Forecast and Industry Skills Outlook by 28 February.
- IRC will send photos of industry to use on the Industry Skills Outlook
- Chair requested VET review update be a standing agenda item for future meetings
