

# MEETING MINUTES SUMMARY

GAS IRC

11 November 2020

## Meeting Overview

- Meeting held via Teams Video Conference
- UEG Zero Enrolment Units and Qualifications
- ITAB Updates
- Meeting Outcomes

## UEG Zero Enrolment Units and Qualifications

- AIS raised the recent directive received from the Department regarding the deletion of units and qualifications that have had zero enrolments for the past 4 years
- IRC members were asked to review the list of UEG qualifications and units and to advise of their confirmed deletion or provide rationale for them to be retained
- With the impending introduction of hydrogen, ten units have been flagged for review and the remaining to be investigated by AIS

## Training Package Updates

- the ITAB group have set out position rotations for the Gas IRC. The ITAB representative for the QLD ITAB is replacing the NSW ITAB from the 30 November 2020.

## Meeting Outcomes

- The Gas IRC flagged 10 units for review with the remaining to be investigated to determine if they are still fit for purpose.
- New ITAB position from Energy Skills Queensland.

Next IRC meeting scheduled for 9 February via Video Conference
