

MEETING MINUTES SUMMARY

AVIATION IRC

12 November 2020

Meeting Overview

- Meeting held via Teams Video Conference
- AVI Zero Enrolment Units and Qualifications
- Meeting Outcomes

AVI Zero Enrolment Units and Qualifications

- AIS raised the recent directive received from the Department regarding the deletion of units and qualifications that have had zero enrolments for the past four years
- IRC members were asked to review the list of AVI qualifications and units and to confirm their deletion or provide rationale for them to be retained
- The IRC agreed more time is required. The IRC submit to build these products into the next schedule of work to allow time for review and consultation

Meeting Outcomes

The IRC agreed more time is required. The IRC submit to build these products into the next schedule of work to allow time for review and consultation

Next IRC meeting scheduled for 19 November via Video Conference
