## Meeting Overview

- Meeting held via Video Conference
- Zero Enrolment Units and Qualifications
- Meeting Outcomes

## Zero Enrolment Units and Qualifications

- AIS raised the recent directive received from the Department regarding the deletion of units and qualifications that have had zero enrolments for the past four years
- The Rail IRC members were asked to review the list of four TLI qualifications and 34 TLI units and to advise of their confirmed deletion or provide rationale for them to be retained
- It was agreed to delete one of the 34 units flagged and the remaining to be investigated by AIS

## Meeting Outcomes

- AIS provided the Rail IRC with information regarding the one unit flagged for deletion, and the IRC confirmed its possible deletion.

Next IRC meeting scheduled for 11 February 2021 via Video Conference
